BY FAXING US YOUR ORDER, YOU AGREE TO THESE TERMS: Once we receive your order and verify your credit card, we will calculate your shipping costs and notify you via email. Processing of your order will not be completed until you reply to us and approve the shipping costs. Your credit card will not be charged until we receive email approval from you of costs related to your order. You will have three business days to confirm the transaction – all orders will be cancelled upon your request (if the order has not shipped) or after three business days have passed with no reply from you.

All orders will be processed during normal business hours on Monday through Friday (8am – 4:30pm EST). Questions? Email us at international@buckmans.com

Please note: Our shipping costs do NOT include duties, taxes or other fees that may be required by your country. Buckman's Ski and Snowboard Shops will not be responsible for any of these additional fees or costs. It is recommended that you contact your local custom's office for an estimate of these costs before placing your order. If the package is returned for any reason, shipping costs will not be refunded. Other fees, such as restocking fees, may apply to all returned packages because of a failed delivery to your address.

Shipping and delivery times are not guaranteed. All packages will be marked as "merchandise." We will not mark any packages as "gift."

We reserve the right to refuse processing orders that are marked as available for purchase in our retail stores only or are not available for shipping outside of the USA.

Shipping Skis and Snowboards: The length of these items causes the shipping price to increase significantly. For example, shipping skis internationally costs \$99 - \$250 US or more (except to Canadian customers).
